

Derwent House, Dedmere Road, Marlow, Bucks SL7 1PG
Tel: 01628 401720

From the M40 and M4 take the Marlow exit off the A404 and travel towards Marlow town centre on the main A4155. Turn left off the A4155 down Newtown Road (watch out for the speed humps) and take the third right into Dedmere Road. Alternatively you can approach Dedmere Road from the bottom of the town centre via Station Road or from the top of the town centre via Glade Road (past Marlow cottage hospital) and left into Dedmere Road.

Derwent House can be found within the residential area of Dedmere Road, between number 36 and 36A. There is plenty of space to turn off the road into the development in front of the large iron gates. Please press the pH Associates buzzer on the pad and we will open the gates for you. The pH Associates office is at the bottom of the development and visitor parking is immediately in front of the building.
